Software Engineer · Melbourne & Perth, Australia

[jasmine.jisu@gmail.com](mailto:jasmine.jisu@gmail.com) · [linkedin.com/in/jasminejisu](https://www.linkedin.com/in/jasminejisu) · [github.com/heyyyjisu](https://github.com/heyyyjisu) · [jasminejisu.online](https://jasminejisu.online)

---

Career transitioner from seven years in interior design to software engineering. Brings a designer's eye for systems thinking, user experience, and delivering work that holds up under real constraints. Currently seeking SWE internships. Open to hybrid or remote, worldwide. Australian Permanent Resident.

## SKILLS

---

**Languages:** TypeScript · JavaScript · HTML & CSS · SQL · PostgreSQL

**Frameworks & Libraries:** React · Next.js · Supabase · REST APIs · Tailwind · shadcn/ui

**Dev Tools:** Git & GitHub · Vercel

**Design:** Photoshop · InDesign

## PROJECTS

---

### Wrdlift

2026

React · TypeScript · Next.js · Tailwind CSS · Supabase [github.com/heyyyjisu/wrdlift](https://github.com/heyyyjisu/wrdlift)

- An in-journal language learning tool built from personal need. Surfaces vocabulary alternatives as users write, targeting advanced learners who have plateaued in fluency.
- Built full-stack with Next.js and Supabase. Designed and implemented the core annotation engine and editor interface.

## EXPERIENCE

---

### Interior Designer

2024 – 2025

Plus Studio · Perth, Australia

- Mentored junior designers and reviewed their work across multiple projects.
- Led projects from concept through to construction, including design development and documentation.
- Coordinated with architects, contractors, and suppliers to ensure design intent was delivered on site.
- Conducted site visits to monitor progress, resolve issues, and manage defects.

### Interior Designer

2019 – 2024

Cox Architecture · Melbourne, Australia

- Led concept design for residential and commercial projects, from initial brief through to construction.
- Prepared construction documentation in collaboration with junior designers.
- Coordinated with architects, contractors, and suppliers to ensure smooth project delivery.
- Mentored junior designers on documentation using Revit.

## EDUCATION

---

### Diploma of Interior Design and Decoration

2015

RMIT University · Melbourne, Australia

## ADDITIONAL

---

**Languages:** English (fluent) · Korean (native)

**Visa Status:** Australian Permanent Resident · Korean Citizen, Eligible for remote roles open to Australian residents worldwide
